Office Memorandum • UNITED STATES GOVERNMENT

TO :

DATE: 23 October 1956

FROM : Chief, S/ST

SUBJECT: Telephone Conversation with Mr. Shavell

Mr. Shavell of Commerce telephoned with reference to the air intelligence report which was discussed in EDIC. He stated that Mr. Levin of Working Group I (in which this matter was discussed) had suggested that EDIC explore the intelligence background of the report in further detail. Mr. Shavell was not clear as to whether Mr. Levin's request had been directed to EDIC and felt that perhaps he should prepare a memorandum bringing this to EDIC's attention. In view of our having no knowledge of this matter, I informed him that I saw no objection to him directing a memorandum to [REDACTED] on the subject. 25X1A9a
